TAION[®] Kid's キッズ

TAION' s kids line from the inner down brand "TAION."

As a down-specialized brand, TAION uses high-loft 800FP down to achieve optimal warmth without bulk. Carefully balanced down fill and quilt stitching create a refined thickness and silhouette that avoids a puffy look.

With a wide range of colors (up to 30 in some styles) and diverse designs, the collection allows children to express their individuality at nurseries and various everyday scenes.

Styles that directly adapt adult designs into kids' sizes are also popular, offering an ideal option for coordinated parent-and-child outfits.
