

# WORK LINE

The WORK line features a durable, down-proof fabric made with CORDURA®, combined with elongated vertical down stitching (8cm x 16cm). Hammer loops are placed at the sides, and metal rivets and metal buttons are generously used, creating a distinctive design with a strong workwear character.

# TAION®

TAION=体温

"TAION" is an inner down wear brand that originated from Japan. Our mission is to develop an affordable high quality product wear that can maintain "TAION," which means "body temperature" in Japanese.
