YARNS

Merino Lambswool

Characterised by its extremely soft handle, our lambswool is even softer and luxurious as the first shear from a lamb is the best and the softest.

Donegal Tweed

Spun in Donegal in the tradition of original home spun Donegal, characterised by the large flecks, giving an interesting mix of colours within one garment.

Irish Heather

Fine Irish yarn, slightly coarse handle, giving the finished garment an authentic feel with a wonderful depth of colour.

Heritage Yarn

Produced from British born and bred sheep, undyed, 100% pure new wool, its natural nuances as different percentages are blended together to achieve a beautiful variety of shades.
